The design language of WE.RE is renowned for reduced,  
sculptural shapes and sensual fabrics, striving toward a pure  
and timeless aesthetic. Sophisticated minimalism, paired  
with puristic elegance and casual comfort are the brand's  
trademark. By combining clear cut designs, materials of the  
highest quality and uncompromised craftsmanship, WE.RE  
creates garments with a sustainable philosophy. Handmade  
in Germany.

The Spring/Summer 23 collection manifests that distinct  
feeling of longing for summer, light and breezy fabric against  
warm skin and the anticipation of an eventful night. Transparent  
and breezy fabrics, power looks and flowing silhouettes  
make this collection a daring and versatile wardrobe for the  
summer to come.
